

Vilfredo Pareto Doctorate in Economics & BRICK, Collegio Carlo Alberto

VPDE-BRICK WORKSHOP

Workshop in Economics of Innovation, Complexity and Knowledge

January 21-22, 2016

Sessions Instructions

Each PhD Student has 20 minutes to present his/her work. After each presentation five minutes are assigned to a senior discussant (Chair) and another five minutes to a junior discussant (PhD Student) and to additional comments. Each PhD Student has to comment the presentation coming after her/his own presentation. The last PhD student has to comment the first presentation of the session (i.e. Matteo Sostero comments Caterina Santi and Caterina Santi comments Matteo Sostero).
