4th VPDE–BRICK WORKSHOP

for doctoral students in

Economics of Innovation, Complexity and Knowledge

Collegio Carlo Alberto, Moncalieri, Turin

December 15-16, 2016

The Vilfredo Pareto Doctorate program of the University of Turin and the BRICK, Collegio Carlo Alberto, are pleased to announce the **4th Doctoral Workshop in Economics of Innovation, Complexity and Knowledge**. The aim of the workshop is to bring together PhD students from all over the world working in the broad fields of Economics of Innovation, Complexity and Knowledge. The Workshop will provide participants with a great opportunity to network with peers researching on similar topics and to receive feedbacks from both junior and senior scholars.

We invite PhD students to submit an extended abstract (max 1000 words) of their medium or advanced stage paper on the following topics:

- *Diffusion of Innovation*
- *Green Innovation*
- *Innovation & Employment*
- *Innovation & Migration*
- *Biased Technological Change*
- *Innovation Policy*
- *Entrepreneurship & Firm Dynamics*
- *Knowledge Exchange and Co-creation*
- *Research Networks and Collaborations*
- *Scientific Careers and Mobility*
- *Agent-based Models for Economic Analysis*
- *Network Analysis for Economic Purposes*

We also welcome papers on the above topics that adopt *historical analysis* as methodological approach.

Outline

The workshop will cover two days (December 15-16, 2016) and will take place at the Collegio Carlo Alberto (Moncalieri, Turin). Each PhD student paper will be assigned to a junior (a fellow PhD student) and to a senior discussant (from BRICK and University of Turin faculty members and invited guests). In addition to parallel sessions, recognized scholars will provide keynote speeches.

Plenary Presentations

The fourth edition of our annual workshop is delighted to announce the following keynote speakers:
